Students of the Week

Each month our school adopts a character trait and aligns it with a working weekly behavior. The weekly behaviors are determined based on the needs of the students or areas to collectively work on as a school. As a new Belle Haven tradition, we will recognize students in each grade level for their excellent achievement in displaying positive behaviors related to the weekly theme. During the week of April 3 - April 7, students worked on appreciating and respecting our yard supervisors. The following students were recognized for their positive contributions. Congratulation Tigers!
