### BELLE HAVEN CAFECITOS

We have Cafecitos as a way for our parents to **learn about programs** in the school and to become involved. Cafecitos also provide a way for parents to express their interests and ideas for improving Belle Haven. Our Cafecitos begin right after our morning assembly at about 8:35 am. Please come to our Cafecito this Friday in the library. We will be discussing our Health and Wellness program. Please see other topics on the table:

### Parent University - Save the Dates

At the **end of each trimester** we have a night of workshops from **6 to 8 pm** known as "Parent University." Please save these Thursday evenings:

**December 1st, March 23rd, and June 8th.**

On these Parent University evenings, our children are provided childcare and dinner so that their parents can select workshops that appeal to them. Our parents have different interests, needs, and priorities. We seek to inspire, uplift, and empower our parents by providing a different workshops that address topics related to the academic, emotional, social, and physical well-being of their children and their families. After all, parents are the first and most important teachers!
